

Dear author,

To follow up on our last e-mail of December 23, 2008, we would like to inform you about the future of CNWS Publications.

As of March 1, 2009, all the CNWS titles will be temporarily transferred to *Amsterdam University Press* (AUP), to guarantee the availability of the books for our customers worldwide. *Amsterdam University Press* has distribution facilities in the US & Canada through the *University of Chicago Press*, and in the rest of the world through various representatives.

The intention is to incorporate the CNWS titles within the new *Leiden University Press* (LUP), which is now being set up. The new publisher will decide on the future form and direction of the CNWS publishing areas, and will contact you about these issues later on this year. The CNWS Publications website will be in the air until a definitive decision has been made.

For us, Guita and Sanderien, a new phase will start as well. Guita will continue her work as a teacher and study co-ordinator, and Sanderien will become a communication advisor, both within the new Faculty of Humanities at Leiden University.

Although we are sad to leave CNWS Publications, we are optimistic about the future, and we hope that your book(s) and/or Series will find a good home within *Leiden University Press*.

If you have any urgent questions or orders, please contact Sanderien before February 26 at cnwspublications@hum.leidenuniv.nl.

For other questions, after March 1, please contact Martin Voigt, Deputy-director at AUP, at m.voigt@aup.nl. For orders, after March 1, please send your e-mail to bestellingen@aup.nl.

We would like to thank you all for your trust, positive responses and continued interest in CNWS Publications.

Kind regards,

Guita Winkel and Sanderien de Jong
